## Notes

Topic	Notes
<b>Marketing Workgroup Update</b>	<ul style="list-style-type: none"> <li>• Currently exploring options with working with WSU and other partners.</li> <li>• Marketing ideas still in the very early stages</li> </ul>
<b>Connecting Students with Employers Workgroup Update</b>	<p>Comprehensive approach to connecting high students with employers.</p> <ul style="list-style-type: none"> <li>• Work to get Healthcare represented on all CTE board. Kristi will visit CTE boards. Connect with Kristi if you are interested in getting on one of the boards.</li> <li>• Scrubs camp – last year not enough students registered so they had to cancel the camp. They are willing to try again this if there is buy-in from the schools. We could try to get volunteers locally so the minimum number of students would be lower. Would need to have ~50-100 students sign up to be viable.</li> <li>• Med term or CAN class in high school – Wenatchee, East Wenatchee, Lake Chelan have a med term class. Omak used to have a CNA class. The school agrees on the curriculum with WVC and a high school teacher has to get credentialed with WVC. Students have to pay a small fee. The Contact person is Riva Morgan.</li> <li>• Career Day – could partner with schools and employers to do a career day on the weekend or after school.</li> <li>• Healthcare staff survey – Mid-Valley created a survey for staff around workforce development. Can be used with all healthcare facilities in Okanogan County.</li> </ul>
<b>Soft Skills Workgroup Update</b>	<ul style="list-style-type: none"> <li>• Wenatchee Valley College would be interested in developing a Healthcare Soft Skills course.</li> <li>• This could be a continuing ed class or accredited</li> <li>• WACMHC gets asked for something like this all the time. They would be interested in an online course.</li> <li>• Collaborative needs to identify curriculum components.</li> </ul>

<b>WACMHC- WVC Workgroup Update</b>	<ul style="list-style-type: none"> <li>• WVC and WACMHC are working to developed a formal partnership</li> <li>• Jenny has not heard back from the State Board and is looking for guidance on the next steps. WVC already has an MA program and a director that can review the curriculum. Aubre will work with Jenny to get guidance from the State Board on the next steps</li> <li>• Dan Ferguson is supposed to follow-up with Jesus on this concept</li> <li>• WVC is very excited about this partnership</li> <li>• Jesus noted that with the Medicaid Transformation Project there will be a need for more care coordinators in the future.</li> </ul>
