

Things to know about changes to Washington Apple Health (Medicaid)

in Chelan, Douglas, and Grant counties

Changes are coming January 1, 2018 to Apple Health (Medicaid)

This change will not reduce any benefits. Apple Health clients will continue to have access to all of the same services they currently do, but the state will pay for them differently.

What's changing

Three Apple Health plans will be available in Chelan, Douglas, and Grant counties:

- Amerigroup
- Coordinated Care
- Molina Healthcare

These plans will also cover mental health and drug/alcohol treatment services. Clients that are already enrolled in one of these plans don't need to do anything.

Two plans will not be available in Chelan, Douglas, and Grant counties: Community Health Plan of Washington and United Healthcare of Washington. Clients enrolled in either plan will move to Amerigroup, Molina Healthcare or Coordinated Care. The change will be automatic so that no one loses coverage, and you will have the option to change plans.

Apple Health will send information about health plan enrollment before January 1. It will help you use your benefits and explain how clients may change a health plan.
