

2019 CHNA Health Indicators

Health Indicators			
Categories	Topic	Sub-Topic	Metric
Demographics	Total Population		Total population
	Total Population Percent Change		Percent change in total population
	Population Density		Population density (per square mile)
	Race and Ethnic Population Distribution		Percent of population by race
	Age Distribution		Percent of population by age
	Population Age 65+		Total population age 65+ - count
	Age Distribution by Ethnicity		Percent of population by age and ethnicity
	Median Age		Median age – total population
	Linguistically Isolated Population		Median age by ethnicity
	Foreign-Birth Population		Percent of linguistically isolated population
Social and Economic Factors	Economic Factors	Poverty	Percent of population under age 18 at or below 100% FPL
			Percent of population under age 18 at or below 200% FPL
			Percent of population in at or below 50% FPL
			Percent of population in at or below 100% FPL by gender
			Percent of population in at or below 100% FPL by ethnicity
			Percent of population in at or below 185% FPL
			Percent of population in at or below 200% FPL
			Free and Reduced Lunch
		Public Assistance Income	Percent of households with public assistance income
			Average public assistance received – dollar amount
	Unemployment	Unemployment rate (%)	
	Supplemental Nutrition Assistance Program (SNAP) Recipients	Percent of population who receive SNAP	
	Underinsured ⁱ	Percent of ALICE Household – United for ALICE	
		Percent of ALICE Household by Income – United for ALICE

Updated: 4-22-19

	Preventative Clinical Care	Colon Cancer Screening	Percent of adults age 50+ ever screened for colon cancer
		Diabetes Management	Percent of Medicare enrollees with diabetes with annual exam
		High Blood Pressure Management	Percent of adults NOT taking blood pressure medication when needed
		Pneumonia Vaccinations	Percent of adults age 65+ with Pneumonia vaccination
		HIV Screenings	Percent of adults (12-70) never screened for HIV/AIDS Percent of adults (18-70) never screened for HIV/AIDS
		Preventable Hospital Events	Preventable hospital admission rate per 1,000 Medicare enrollees
Health Behaviors and Outcomes	Top 10 Causes of Death		Age-adjusted death rate
	Top 10 Hospital Diagnosis		Age-adjusted rate per 100,000 population
	Poor General Health		Percent of population self-reported having poor or fair health
	Poor Dental Health		Percent of adults with poor dental health
	Life Expectancy	Life Expectancy for Infants	Life expectancy for infants (years)
			Life expectancy for infants (years) by ethnicity
		Years of Additional Life Expectancy Age 60-64	Years of additional life expectancy age 60-64 Years of additional life expectancy age 60-64 by ethnicity
	Obesity	Adult Overweight and Obesity	Percent of adults overweight (BMI > 25, < 30)
			Percent of adults obese (BMI > 30)
		Youth Overweight and Obesity	Percent of youth overweight
			Percent of youth obese
			Percent of youth overweight or obese
		Physical Inactivity	Percent of adults with no leisure time physical activity
	Inadequate Fruit/Vegetable Consumption	Percent of adults with inadequate fruit/vegetable consumption	
	Diabetes		Percent of population with diagnosed diabetes
			Percent of Medicare beneficiaries with diabetes
	Cancer	Cancer Mortality	Cancer mortality age-adjusted death rate per 100,000 population
		Breast Cancer	Breast cancer incidence rate per 100,000 females
			Breast cancer mortality age-adjusted death rate per 100,000 females
			Cervical Cancer
		Prostate Cancer	Prostate cancer age-adjusted incidence per 100,000 males
			Prostate cancer new cases, annual average
			Prostate cancer mortality age-adjusted death rate per 100,000 males

		Colon and Rectum Cancer	Colon and rectum cancer age-adjusted incidence per 100,000 population
			Colon and rectum cancer mortality age-adjusted death rate per 100,000 population
		Lung Cancer	Lung cancer age-adjusted incidence per 100,000 population
			Lung cancer age-adjusted death rate per 100,000 population
	Lung and Heart Disease	Lung Disease Mortality	Lung disease mortality age-adjusted death rate per 100,000 population
		Asthma Prevalence	Percent of adults with asthma
		Current Smokers	Percent of population currently smoking cigarettes age-adjusted
		Smoker Quit Attempts	Percent of smokers with quit attempt in past 12 months
		Coronary Heart Disease Mortality	Coronary heart disease mortality age-adjusted death rate per 100,000 population
		Heart Disease Mortality	Heart disease mortality age-adjusted death rate per 100,000
		Heart Disease Prevalence	Percent of adults with heart disease
		Stroke Mortality Rate	Stroke mortality age-adjusted death rate per 100,000
	Pre-Conceptual and Perinatal	Infant Mortality and Infant Death	Infant mortality rate per 1,000 total population
			Infant mortality rate per 1,000 by ethnicity
			Number of infant deaths
		Low Birth Weight	Percent low birth weight total population
			Percent low birth weight by ethnicity
		Births to Smoking Mothers	Percent of births to smoking mothers total population
			Percent of births to smoking mothers by ethnicity
		Teen Birth Rate	Teen birth rate per 1,000 total population
			Teen birth rate per 1,000 by ethnicity
			Number of teen births
	Accidents, Homicides, and Suicides	Motor Vehicle Crash Mortality	Average annual motor vehicle deaths
			Motor vehicle crash mortality age-adjusted death rate per 100,000 population
		Pedestrian Motor Vehicle Crash Mortality	Pedestrian motor vehicle crash average annual death rate per 100,000 population
		Unintentional Injury Morality	Unintentional injury age-adjusted death rate per 100,000
			Unintentional injury average annual deaths
Homicide		Homicide crude death rate per 100,000 population	
		Homicide average annual death	
Violent Crime		Violent crime rate per 100,000 population	
Suicide	Suicide average annual deaths
