

2019 Community Health Needs Assessment
Regional Report-Out and Consensus Workshop
Group Discussion

Directions: The questions below are to help guide discussion on each prioritized need. Please record what is shared and discussed. You will be reporting-out.

Need: _____

1. What successes have we had addressing X?

2. What opportunities are there to address X?	4. How can we use our successes/strengths to take advantage of the opportunities?
3. What are some threats to addressing X?	5. How can we use our successes/strengths to combat the threats?
