

North Central Accountable Community of Health

Chelan-Douglas CHI 10-02-2015

(www.mydocvault.us)

NCACH Health Improvement Initiatives

Purpose:

To identify organizational and individual community assets that support the health of our residents.

Use of Inventory:

As part of the regional health improvement planning process. This will be a “living”, working document used to help identify service gaps in our region as well as align services with the identified needs of the region.

Next Steps:

ACH Staff

- Ongoing collaboration with WIN211 Regional Service Center
- Finalizing a more robust online survey to collect regional asset data

CHI Partners

- Go online and review the current WIN211 Chelan-Douglas Asset Inventory Lists (<http://www.mydocvault.us/chelandouglas-chi.html>)
 - Is your Agency on the list? Are the services listed an accurate representation of services offered? If the answer to either question is no, you can help us in two ways:
 1. Help NCACH Staff build our asset inventory list by submitting your agency and program information via the online survey (online link will be sent via email in the near future).
 2. Help WIN211 improve their ability to serve Chelan-Douglas partners and residents by contacting [the Greater Columbia Region 211](#) and providing information about your agency.

Chelan-Douglas Trends-New Health Indicators

A committee has formed to review existing indicators on the [Chelan-Douglas Trends website](#). NCW Economic Development District staff is working with Dr. Patrick Jones on the planned update. Focus groups are being convened to review and provide input for each category.

Next Steps:

ACH Staff:

- Gathering input from health sector stakeholders
- Submit recommendations for change to the Chelan-Douglas Trends Committee no later than December 1, 2015

CHI Partners:

- Review current Chelan-Douglas Trends Health Indicators list (<http://www.mydocvault.us/chelandouglas-chi.html>)
- Do indicators provide snapshot of “health” in Chelan-Douglas Counties? Should some be removed, others added, what else is missing?
- Submit priority list of recommended changes to Deb Miller (deb.miller@communitychoice.us) by November 16, 2015
