

NCACH Project Workgroup Update

Pathways Community HUB

June 2019

Key Updates-June Activities

- AHP Team attended the All ACH HUB Executive Director/HUB Director sustainability meeting.
- MCO funding conversations continuing.
- Finalized a new CSSA MOU and have begun conversations with 3 Chelan-Douglas area agencies to discuss CSSA partnership with HUB.
- Samaritan ED EDie reports have been updated to include "Grant A" zip codes so program is now moving outside the Moses Lake/98837 zip code area.
- Continuing statewide discussions on project standardization where possible. PCS/CHW training standardization planning is actively moving forward in partnership with other HUBs.
